

KRS-SL230

Product features:

- Biometric fingerprint recognition for secure access control.
- Large capacity for storing up to 10 fingerprints.
- Low power consumption for energy efficiency.

Color	Black
Material	Alloy steel, Aluminum alloy
Size	15*23CM
Waterproof grade	IP67
Unlocking method	Fingerprint + Bluetooth + Key
Fingerprint capacity	10
Working temperature	-20°C~ 60°C
